Get a Flu Shot – Not the Flu!

WHY GET THE FLU SHOT?

If you've been waiting for a good reason to get a flu shot, we'll give you three!

1 Costs you nothing! Your Health Net plan covers an annual flu shot with a $0 copay.

2 Getting sick is never fun. Protect yourself and your loved ones against targeted flu viruses, and help decrease your chances of getting sick.

3 Might help you avoid spending your money on cough drops and tissues – and sick days in bed.

Don't let the flu slow you down.
