

Mandatory UC Cyber Security Awareness Training

Must be completed by January 31, 2016

You may access the course via the UC Learning Center by doing the following:

1. Go to the UC Learning Center at <http://uclearning.ucr.edu/>
2. Enter your UCR NetID and password*
3. Click **“Assigned Activities”** under the Get Started Below menu
4. Click “Start” next to the activity name to launch the training.
5. If you are not assigned the training but wish to take the course:
 - a. Type “Cyber Security Awareness” (without quotes) in the Activity Search field and click the magnifying glass search icon.
 - b. Click the “Start” button to launch the course.

The screenshot shows the UC Learning Center interface. At the top, there is a search bar and a 'Learner' button. Below the search bar, there are navigation links for 'HOME', 'HELP', and 'NEWS'. The main content area features a 'Welcome to the UC Riverside Learning Management Portal' message and a 'Get Started Below' section. In this section, the 'Assigned Activities' link is circled in blue, and a blue arrow points to it from the text 'Click Assigned Activities'.

The screenshot shows the 'Activity Details' page for the 'UC Cyber Security Awareness Training' course. The page includes a search bar, a 'Learner' button, and a 'Print' icon. The course title is displayed as 'UC Cyber Security Awareness Training'. At the bottom right, the 'Start' button is circled in blue, and a blue arrow points to it from the text 'Click Start'.
