

NATIONAL HISPANIC HERITAGE MONTH

September 15 – October 15

In 1988, Congress enacted into law National Hispanic Heritage Month, recognizing the long-standing and important presence and contributions of Hispanic and Latino Americans in North America.

UCR was named a Hispanic-serving Institution (HSI) in 2008; it was the first campus in the UC system to receive the honor. HSIs are non-profit, degree-granting institutions where at least 25 percent of full-time undergraduate students are Hispanic. Chicano Student Programs is committed to supporting the success of Chicano/Latino students at UCR.
