Make the Most of Social Security

Did you know that over 60% of individuals do not receive the maximum benefit they deserve from Social Security?* We don't want you to be one of them.

Social Security is complicated. Informed decisions regarding benefit claiming strategies can help you make the most of this important source of income in retirement. That's why the University of California is offering this special seminar for employees.

Attend this seminar to learn about:

- The importance of Social Security income
- How Social Security retirement benefits are calculated
- Ways to optimize your benefits claiming strategy
