HERC OneClick Login Page

- URL: <http://herc.jobtarget.com>
- Sign in at the top left side of the screen with your email address and designated password.

The screenshot shows the HERC OneClick login page. At the top left is the HERC logo (Higher Education Recruitment Consortium). Below it is a navigation bar with 'HOME' and 'POST A JOB / ONECLICK NETWORK'. The main content area is divided into three sections: 'EMPLOYER LOG-IN', 'NEW USERS', and 'SELECTED JOB BOARDS'. The 'EMPLOYER LOG-IN' section has fields for 'E-mail' and 'Password', a 'SIGN IN' button, and links for 'Trouble logging in?' and 'Administrators click here to login'. The 'NEW USERS' section has a 'CREATE A FREE ACCOUNT' button. The 'SELECTED JOB BOARDS' section shows 'No job boards selected.' To the right is a 'Search Job Boards & Post Your Job' section with input fields for 'Position Title, Keyword, or Website' (example: 'ex. Software Engineer or Finance Analyst') and 'Location' (example: 'Enter City & State'), and a 'Submit' button. At the bottom right of the search section are links for 'Browse Job Sites: Diversity | Veterans | Disability | State Job Board | General |'.

After you select the job you need to advertise, our search page will appear. A summary of the job you are working on will appear at the top of the search bar.

To find the website(s) you wish to advertise on, type the job board name (or a keyword) into the first search field. *I recommend leaving the zip code and industry fields blank.*

Posting a job using OneClick

On the search results page, there are two new important pieces of information to notice:

- Most sites offer more than one posting option. To view the products, please select the price/duration field (circled below in red)
- Each site is assigned a specific posting fee. Some sites do not have posting fees, but if the site does, the cost will appear in the pricing bar (highlighted below).

The screenshot shows the 'Job Description' editor interface. At the top, there is a toolbar with various formatting options. Below the toolbar, the 'Field' is set to 'Research Aide' and the 'Department' is 'Computer Science'. The 'Description' field contains a detailed job description for a full-time staff member. Below the description is the 'Qualifications' section, which includes instructions on how to use the 'Word Paste Tool' and 'HTML Edit Tool'. The 'Job Requirements' section is also visible at the bottom. Two windows are overlaid on the interface: 'HTML Source Editor' and 'Paste from Word - Mozilla Firefox'. A text box in the upper right corner provides instructions on how to enter information about the job.

You can enter as much or as little information about the job as you desire. You can copy and paste from MS Word, or enter the details using the HTML Edit Tool.

Job Description:

Field: Research Aide
Department: Computer Science

Description:

The Department of Computer Sciences seeks a full time staff member to provide research support for Clean-Slate design of Resilient, Adaptive, Secure Hosts (CRASH) project. Design, develop, implement and maintain project website for use by CRASH teams. Gather and update web page of formal material for the project using technical tools within the Nupri system. In collaboration with PI and Researchers expand web projection tools. Facilitate remote collaboration with CRASH teams using tools for navigating Nupri library. Assist with coordination of editorial duties of faculty; monitor submissions to scientific journals; prepare research data for scientific presentations utilizing a variety of software including desktop publishing, word processing, and web design programs. Coordinate meetings with design teams, postdoctoral associates, and visitors. Assist in the preparation of presentations and demonstrations using formal material from database. Prepare monthly progress and budget reports. Support research team (i.e., coordinate travel, accommodations, equipment and software needs). Perform other administrative and assigned duties as needed. Maintain confidentiality in all matters.

Qualifications:

If you are pasting from Microsoft Word, launch the Word Paste Tool

To edit your post's HTML code, launch the HTML Edit Tool

Job Requirements:

When adding HTML or editing and when adding text from Word always use the HTML and Word Past Tools. They can also be found in each the Job Description and Job Requirements fields in the purple boxes.
