Surprises are good.
Except when they’re not.

Life is full of surprises — some good, some not so much. That’s why you have a trusted health plan. When you need your benefits, you need them right now. Same goes when you need answers about what’s covered, where to find a doctor or how a claim is going. That’s the whole idea behind the redesigned [anthem.com/ca](http://anthem.com/ca). Log in and see how easy managing your health benefits can be.
