Please note:

Do not open any attachments or click on any email links.

UC does not send actual tax statements to employees or retirees by email or text. If you have requested an electronic W-2, you must log in to [UCPath](#) online or [At Your Service Online \(AYSO\)](#). If you receive an email or text that has an attachment to view your W-2 or other tax statement, it is a phishing scam designed to gain your private information.
