I. Summary
This Hiring Bonus Program (HBP) authorizes granting hiring bonuses to external candidates hired into eligible positions (see Eligibility section below) as part of the University’s hiring offer. Hiring bonuses support the University’s objective to attract talented external candidates. The hiring bonus—a non-base building cash payment—is intended to make the hiring offer market-competitive and to assist in securing the candidate’s acceptance of the offer.

A hiring bonus cannot be used in place of a relocation payment, which is intended to offset a portion of the candidate’s costs associated with accepting the University’s employment offer and relocating.

The Hiring Bonus Program will be reviewed on an annual basis.
