Dear [Member_FirstName] [Member_LastName]:

As part of your enrollment in the UC Medicare PPO or UC High Option Supplement to Medicare plan, the University of California is enrolling you in Navitus MedicareRx Prescription Drug Plan (PDP) as your retiree prescription drug plan beginning 1/1/2022, unless you tell us between October 28 and November 19, 2021 that you don't want to join our plan. Navitus MedicareRx is a Medicare Prescription Drug (Part D) plan. This enrollment will automatically cancel your enrollment in a different Medicare Prescription Drug (Part D) plan or a Medicare Advantage plan. Please contact the UC Retiree Administration Service Center (RASC) at 1-800-888-8267 (in U.S.) or (510) 987-0200 (from outside the U.S.), Monday through Friday, 8:30 am to 4:30 pm (Pacific) if you will be enrolling in a different Medicare Prescription Drug plan or a Medicare Advantage plan for 1/1/2022.

What do I need to know as a member of Navitus MedicareRx?

This mailing includes important information about Navitus MedicareRx and the coverage it offers, including a Summary of Benefits document. Please review this information carefully. **If you want to be enrolled in this Medicare prescription drug plan, you don't have to do anything, and your coverage will start on 1/1/2022.** Once you are a member of Navitus MedicareRx, you have the right to appeal plan decisions about payments or services, if you disagree. When you are enrolled on January 1, 2022, you can read the Evidence of Coverage from Navitus MedicareRx, available electronically at <https://Memberportal.navitus.com> (once you are enrolled), to know which rules you must follow to receive coverage with this Medicare prescription drug plan. Your new ID card will be mailed to you in December once you are enrolled in our plan.

Navitus MedicareRx is a Medicare drug plan which is part of your UC Medicare PPO or UC High Option Supplement to Medicare and is in addition to your coverage under Medicare Part A or Part B. Your enrollment in Navitus MedicareRx doesn't affect your coverage under Medicare Part A or Part B. It is your responsibility to inform Navitus MedicareRx of any prescription drug coverage that you have or may get in the future. You can be in only one Medicare prescription drug plan at a time. If you are currently in a Medicare prescription drug plan, your enrollment in Navitus

MedicareRx will end that enrollment. Enrollment in Navitus MedicareRx is generally for the entire year.

By joining this Medicare prescription drug plan, you acknowledge that Navitus MedicareRx will release your information to Medicare and other plans as is necessary for treatment, payment and health care operations. You also acknowledge that Navitus will release your information, including your prescription drug event data, to Medicare, who may release it for research and other purposes which follow all applicable Federal statutes and regulations.

What happens if I don't join Navitus MedicareRx?

You aren't required to be enrolled in this plan. You can also decide to join a different Medicare drug plan. You can call 1-800-MEDICARE (1-800-633-4227) (in U.S.) or (510) 987-0200 (from outside the U.S.) 24 hours per day, 7 days per week for help in learning how. TTY users should call 1-877-486-2048. However, if you decide not to be enrolled in the Navitus MedicareRx plan, this will result in the loss of your UC Medicare PPO or UC High Option Supplement to Medicare plan.

What should I do if I don't want to join Navitus MedicareRx?

To request not to be enrolled by this process, please contact the UC Retirement Administration Service Center (RASC) at (800) 888-8267 (in U.S.) or (510) 987-0200 (from outside the U.S.), Representatives are available Monday through Friday, 8:30 a.m. to 4:30 p.m. (Pacific), to complete the disenrollment process.

What if I want to leave Navitus MedicareRx?

Medicare and UC limits when you can make changes to your coverage. You may leave this plan only at certain times of the year or under certain special circumstances. To request to leave, notify the UC Retiree Administration Service Center (RASC) at 1-800-888-8267 (in U.S.) or (510) 987-0200 (from outside the U.S.), Monday through Friday, 8:30 am to 4:30 pm (Pacific).

Navitus MedicareRx serves a specific area, which includes the United States and Puerto Rico. If you are leaving our service area, you need to notify the RASC at 1-800-888-8267 (in U.S.) or (510) 987-0200 (from outside the U.S.), Monday through Friday, 8:30 am to 4:30 pm (Pacific), so you can be disenrolled. Please make sure to coordinate with the RASC so that you do not experience any interruptions in your coverage.

Keep in mind that if you leave our plan and don't have, or get, other Medicare prescription drug coverage or creditable coverage (as good as Medicare's), you may have to pay a late enrollment penalty (LEP), in addition to your premium, for Medicare prescription drug coverage in the future.

If you have any questions, please call Navitus Customer Care at 1-866-270-3877 24 hours a day, 7 days a week, excluding Thanksgiving and Christmas Day. TTY users should call 711.

No action is required in order to enroll in Navitus MedicareRx Prescription Drug (Part D) Plan. Navitus MedicareRx looks forward to providing your prescription benefits.

Thank you,

The University of California and Navitus MedicareRx (PDP)
